

100% Natural Organic

Blu Moon

BRIX BLASTER

Sugar Stimulant
Improves brix content and flavor
in fruits and vegetables

For Soil or Hydroponics

INDOOR GARDEN & LIGHTING

100% Natural Organic

Blu Moon

SUPER B

B Vitamin Complex and
Plant Stimulant
Improves flavor, aroma and quality
of fruits and flowers

For Soil or Hydroponics

100% Organic

Blu Moon

Magi-Cal

A Calcium and Magnesium Supplement
Sweetens produce - increases flavor and aroma
Improves quality and yield

Soil and Hydroponic Formula

100% Organic

Blu Moon

Carbon Jolt!

Simple and Complex Carbohydrates
Vitamins and Amino Acids
Adds carbohydrates to all nutrient systems
Helps feed beneficial microorganisms

Soil and Hydroponic Formula

100% Natural Organic

Blu Moon

Andromeda Strain

A biologically active tea which
promotes the growth of
beneficial bacteria

For Soil or Hydroponics

Feeding schedule is based on hydroponic applications.
 For soil feeding decrease the grow 1 & 2 and the bloom 1 & 2 by 1/3 dose.
 Leave all additives at hydroponic levels.
 PH should be adjusted to 6.2 before feeding begins.
