WHITE WIDOW	1/4 tsp	1/4 tsp	1/2 tsp	1/2 tsp	1/2 tsp								Flush

For best results: The Oneness Program works excellently in all growing applications: ebb & flow (re-circulating), drain to waste, soil, soilless, aeroponic, deep water culture, and fogponic systems, using any growing media or garden setup. If using an ebb & flow system, drain your reservoir every 5 – 7 days then clean your equipment and pumps, and remove any filmy buildup on the reservoir itself.
